GIGI RECOVERY LAB

Performance-driven care with visible results

Co-created with the prestigious Swiss skincare house Valmont, these advanced treatments combine cellular science, expert technique, and cutting-edge innovation to deeply hydrate, energise and restore both face and body.

Our two signature rituals

HYDRATION DES BISSES: *deeply replenishes moisture and restores lasting suppleness to the skin.*

ÉNERGIE DES GLACIERS: *boosts cellular vitality and radiance using glacial spring water and triple DNA technology.*

30 MIN – 110€
1 H – 190€

HYDRATION BOOST – HYDRATION DES BISSES

A deeply hydrating facial that restores comfort, radiance, and freshness. Ideal for parched skin or after sun exposure.

AFTER-SUN REGENERATION – HYDRATION DES BISSES

A comforting post-sun treatment that cools, rehydrates, and soothes. Featuring Valmont's collagen mask and LED therapy to stimulate cell renewal and restore suppleness.

JET LAG RECOVERY – ÉNERGIE DES GLACIERS

A revitalising face and body treatment featuring drainage techniques, pressotherapy boots, and energising Valmont actives to combat fatigue and restore vitality.

DETOX & REVITALISATION – ÉNERGIE DES GLACIERS

A purifying and revitalising ritual for both face and body. Combines drainage and high-performance actives for a fresh, light sensation.

GLOW THERAPY – ÉNERGIE DES GLACIERS

A youth-enhancing facial combining LED light, facial drainage, and Valmont's collagen to visibly plump, smooth and illuminate the complexion.

GIGI HOLISTIC DOME

A sanctuary for deep reconnection

These immersive rituals draw on ancient touch therapies and energy balancing to restore harmony from within. Here, the language of touch becomes a journey into self-awareness.

All massages are performed using the exclusive GIGI x Fields of Yarrow oil: A relaxing blend infused with pure magnesium and potent botanical extracts, designed to relieve muscular tension, rebalance energy, reduce stress and support physical recovery.

SIGNATURE ENERGY MASSAGE

An intuitive, enveloping massage using flowing strokes and acupressure-inspired techniques to awaken energy flow, dissolve blockages and restore inner balance.

RELAXATION MASSAGE

A soothing, slow-paced massage that invites deep relaxation and calm. Ideal for letting go, unwinding and reconnecting with your inner rhythm.

DEEP TISSUE MASSAGE

A targeted, restorative massage designed to release deep-seated muscular tension. Perfect after exercise or during periods of physical fatigue..

REFLEXOLOGY & ENERGY BALANCE

Drawing on traditional foot reflexology, this treatment stimulates key pressure points to restore energetic balance and encourage full-body harmony.
